The HR Knowledge Center enables hands on learning, providing more than courses and books—it introduces an array of resources designed and chosen to challenge and motivate you. This one stop portal allows you access to a diverse array of information, including articles, courses and online books specifically chosen by experts to facilitate learning regardless of skill level. The Knowledge Center includes hands-on SkillSim™ Business Simulations, useful job aids for you to learn and use in a real-time environment.

You just need to register one time. The link to access the knowledge center will then be available in your In-Progress Learning Activities portlet. Click the hyperlink below to access this knowledge center:
